Marilyn,

At a time like this, I couldn't even begin to say all that I would like to.

It has been wonderful, I don't know of any times that I enjoyed more.

Well I guess that this is pretty close to good bye, but it won't ever be good bye, just so long.

Be good and don't do anything that I wouldn't, and you'll always be happy.

LIBRARY

La Reata, the Spanish word for rope or lasso, is the name of our yearbook because it acts to tie together or unite all the wonderful things that have happened during the high school years. It holds in its loop the many failures and successes, but most of all the skill of learning to work together.

Our musical theme will remind us of the thrill of our school song, the beauty of our Christmas programs, the joy of singing together.

The La Reata staff has worked hard to bring you a yearbook that you might remember for many years to come. We hope you will enjoy seeing and reading it, as we have enjoyed putting it together.

CARL CRAMER

The musical theme of the 1954 La Reata brings to the minds of all of us a man who, through his patient and able leadership, has given to Albuquerque High School a fine band and orchestra and has done much to strengthen

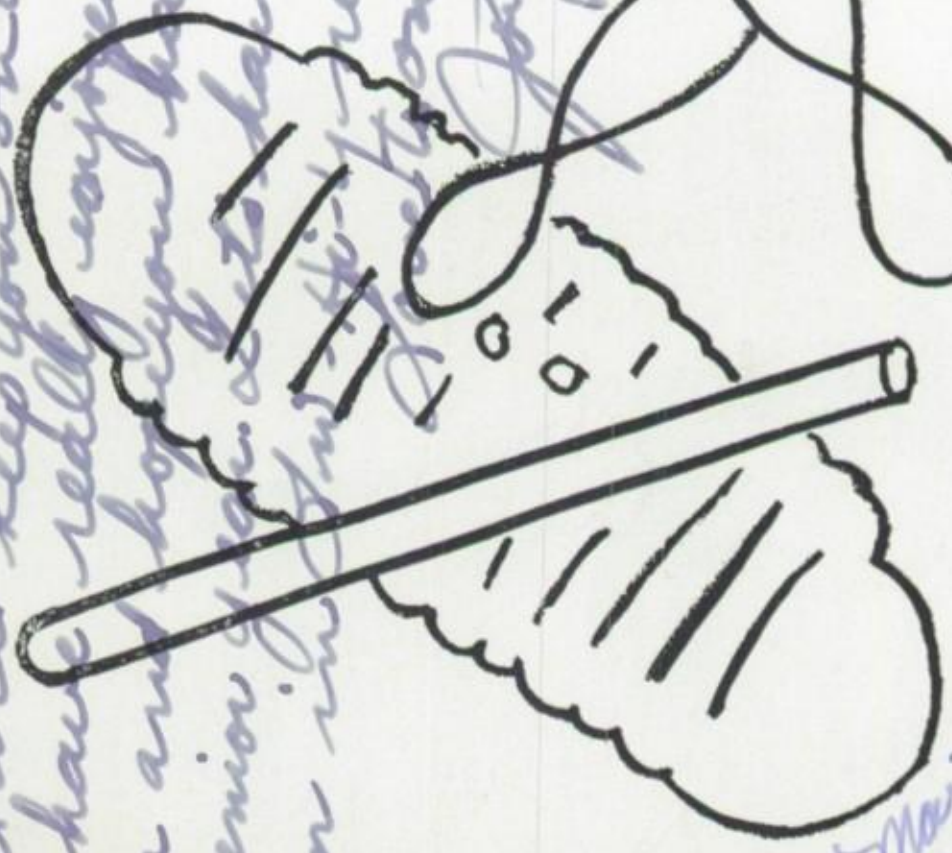

the unity of the school through the music department. The La Reata staff and student body take this way to express its thanks to Carl Cramer for his willing participation in school activities by dedicating to him this, our La Reata.

Maiblyn,

SOPHOMORES

SOPHOMORE CLASS OFFICERS

This year's twelve hundred Sophomores at Albuquerque High School have made a good name their first year. They elected their class officers, Montie Cast, President; Mary Ellen Derbyshire, Vice President; Tane Ong, Secretary-Treasurer to represent them in their activities.

Among their various activities, they presented a talent assembly early in November, which was later shown on television. Judging by this and other good work, we see that the Sophomores of 1953 and 1954 will have a firm foundation on which to stand in future years.

JUNIORS

JUNIOR CLASS OFFICERS

The Junior Class of 1953 and 1954 has achieved much during the school year. In the Fall, the Junior Class Play was produced. Later came the Junior Talent Assembly. Several have appeared on television shows. Contrary to the usual custom, many Juniors took leading parts in

the Cantata presented at Christmas time. Many Juniors have distinguished themselves in journalistic and gridiron activities. The class has elected for its officers three deserving students; Billy Mann, President; Neva Jo Weese, Vice-President; and Sue Coleman, Secretary-Treasurer.

SENIOR CLASS OFFICERS

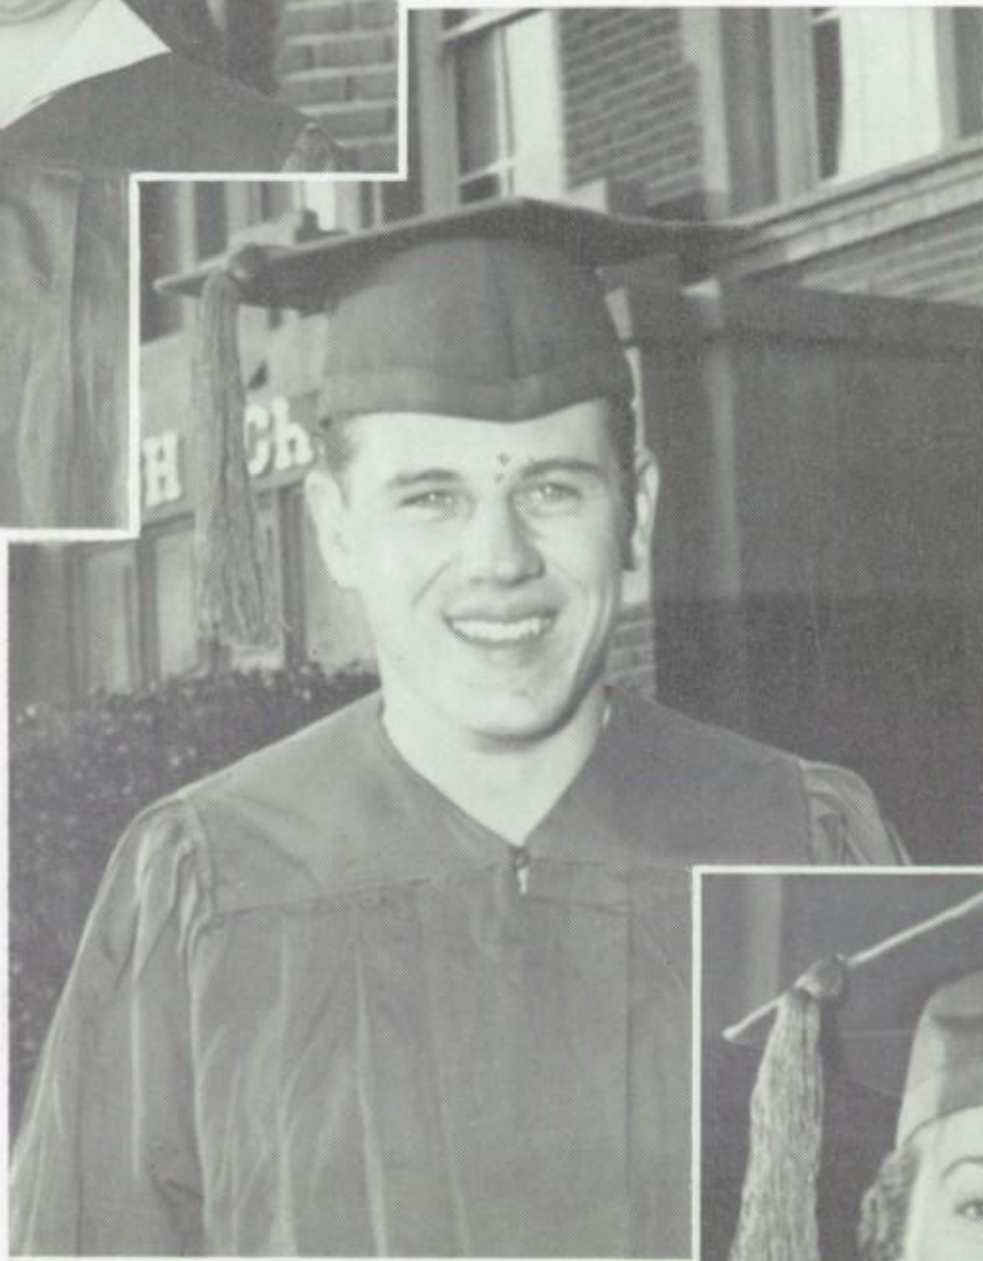

The Bulldog-Hornet game, Junior-Senior prom, Senior week — how the year of the graduating class of 1954 flew. We no sooner had our class officers elected, when it was time to elect our Bulldog Day court. Donna Standfier, Jay Twilley and Jo Hankins were the lucky three. They had a full and exciting day.

The 1954 journalistic work was directed by other members of our Senior class. Editing the Record were Harry P. Moskos, Martha Mersman and Carol Kutnewsky. La Reata was edited by Carolyn Maciel and Betty Anne Rose. The Yucca editor was Allan Vermillion.

As the graduating Seniors of 1954 received their diplomas they knew this year would never fade from memory.

FACULTY

Pictured above are the people in charge of public schools of Bernalillo County. Left to right they are Mr. Robert Elder, Mrs. Nicolai, Mr. Richard Thorne, Mr. S. Y. Jackson, Mr. John Milne, and Mr. D. A. Macpherson, Jr.

BOARD OF EDUCATION

Mr. Robert Elder

Mr. Elder was appointed to the school board in August, 1944. His present term expires on February 28, 1957. Mr. Elder is a capable speaker and well known for his ability to find a story for every talk. He is Vice-President of the Albuquerque National Bank and graduated from AHS.

Mr. S. Y. Jackson

Mr. Jackson is President of the Board of Education. He was elected to the board in September of 1936. His present term expires February 28, 1959. He has served as President of the board since October, 1942. As President, he gives an annual address to the teachers of the system which is always rich in interest and inspiration. He is manager of the Excelsior Laundry.

Mrs. Nicolai

Mrs. Nicolai was appointed to the school board in October, 1942. Her present term expires February 28, 1955. She is presently a member of the State Board of Parent-Teachers' Association and is past President of the State Parent-Teachers' Association of New Mexico.

Mr. John Milne

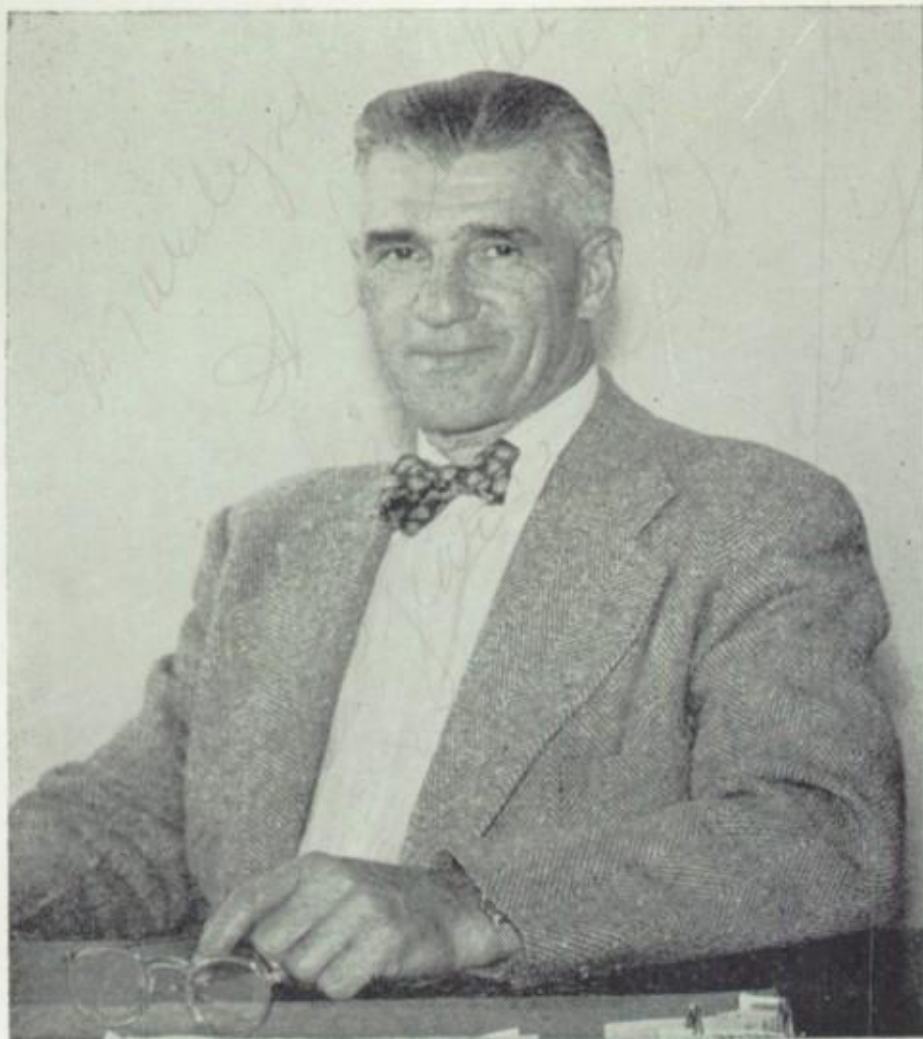

Heading the Albuquerque public schools is Mr. John Milne. Coming to Albuquerque in 1907, he rose through the ranks of the profession. He did classroom teaching for two years; became Principal of Albuquerque High School, and two years later was appointed Superintendent. He has served Albuquerque in this capacity since 1911. Few superintendents have his experience and background.

Mr. Richard W. Thorne

Mr. Thorne is the Vice-President of the school board. He was elected to the board March 1, 1939. His present term expires February 28, 1957. He is co-owner of Strong-Thorne Mortuary. Mr. Thorne is a graduate of the Carlsbad School System but Mrs. Thorne is an alumnus of AHS.

Mr. D. A. Macpherson, Jr.

Mr. Macpherson, Jr., the junior member of the school board has served seven years. He was elected to the school board in March of 1947. His present term expires February 28, 1959 and is serving as Clerk of the Board. He is a practicing Attorney-at-law and is a graduate of AHS. Mr. Macpherson, Jr., is keeping up a family tradition. His father served for many years on our Board of Education.

GLEN O. REAM, Principal

Mr. Glen O. Ream holds the most important position at Albuquerque High School. He is looked upon not only as a principal and advisor, but also as a friend to both the students and faculty. Serving Albuquerque High for twenty-eight years, he has accomplished much. We feel that he is the one person who best represents AHS.

MARY COLE DIXON, Assistant Principal

Assistant principal of Albuquerque High is Miss Mary Cole Dixon. She is admired and respected for her efficient work here at Albuquerque High. She has served us for twenty-eight years with her wisdom and sympathy. Throughout these many years of service she, too, has been an outstanding representative of Albuquerque High.

ADMINISTRATORS OF ALBUQUERQUE HIGH SCHOOL

In Mr. Ream's outer office are Helen Leahy, and Mrs. Cherrill Wugalter.

Helen Leahy is secretary to Mr. Ream. She handles all the extra-curricular funds and is well informed on all phases of our school.

Cherrill Wugalter is in charge of transcripts and eligibility of athletes. Many are grateful to her for the help she has given throughout the year.

The attendance office is staffed by Robert Briscoe, Fannie Sanchez, and Mazelle Spence (not pictured).

Robert Briscoe is in charge of the attendance office. He is a friend to all, and noted for his firm action if rules are broken. Robert Briscoe has a B.S. degree in Education.

A familiar face in the attendance office is Fannie Sanchez. She is secretary to Miss Dixon. She is always busy checking credits, posting grades, and caring for personnel cards.

Mazelle Spence, who is secretary to the Director of Attendance, is without a doubt one of the busiest persons at Albuquerque High.

In Memoriam

Miss Sara Goddard

1895-1954

This page is dedicated to the memory of Miss Sara Goddard, a teacher who served many years at Albuquerque High School. Miss Goddard passed away on January 8, 1954 after serious illnesses.

Miss Goddard began her teaching at Albuquerque High in 1924. She taught various subjects beginning with commercial courses. In her many years of service she taught French, Economics, Southwest History, Archaeology, Naval History (during the period of World War II) and had overflowing World History classes. She sponsored many activities: the Debating Society, Commercial Club, French Club, Archaeology Society, Flower Fund, and was at one time Faculty Secretary.

Miss Goddard was very interested in local history which included Indian ruins. She and some of her students found an old ruin called Tunique between Alameda and Santa Fe. The cost of the ruin is not known, but to Albuquerque High and Miss Goddard it was priceless.

It is through the quiet, efficient work of people like Miss Goddard that future generations are well trained. A great teacher has left the classroom.

RECORD

The Record, the Albuquerque High School paper, records the past, present and future in the news of the school. It had its birth in 1919, and was the first attempt in journalism since 1902 when "The Accident" was published.

The staff under the supervision of Dr. Winfred Buskirk, consists of three co-editors, a business manager, sports writer, a photographer, reporters, and the typists. Among their social activities they enjoy an annual press banquet, and a two-day press convention in Las Vegas, New Mexico.

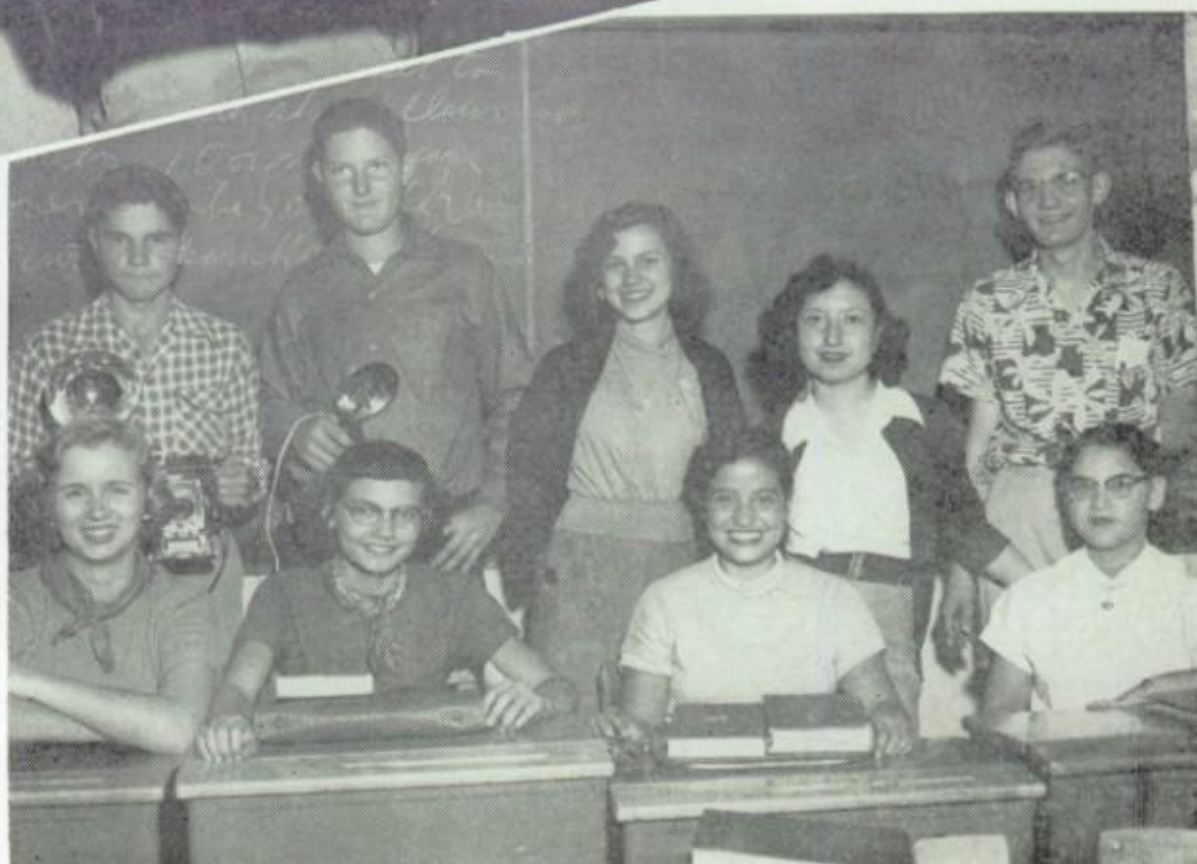

Seated at top, left to right, Marci Keller, and Carla Jeanne Koellmann, copy readers.

Directly above are the co-editors, left to right, Carol Kutnewsky, Harry P. Moskos, and Martha Mersman.

At the right seated are Jeanne Vermillion, Karen Crobaugh, Corina Baca all reporters, and Irene Bachicha, typist.

Standing, Billy House, photographer; George Doolittle, Carla Jeanne Koellmann, Evelyn Chavez, Paul Carlson, reporters.

Not pictured are Jerry Ginsburg, editorial assistant; Jimmy Hunton, business manager; Jim Kynor, sports writer; Leonore Garcia, Marian Marks, typists; and Dan Thompson, reporter and photographer.

YUCCA

Shown at the right is Eve Tomlinson reading a selection to the Yucca staff. These stories, poems, and articles for the magazine are contributed by the literary members of our student body and vary from the dramatic to light fiction. The art staff, led by Buster Quist and Lee Daily, have added the expressive touch necessary to turning out a good book. Sponsors, Mr. James Lacour and Mr. F. E. Graham, can be proud of the Yucca staff and its publication, as they have contributed much towards the literary output of our school.

In the picture at the left are the staff members. They are, seated, Alan Vermillion, Mr. Lacour, Harvey Jean Peterson, Sofia Chmura.

Standing, Jerry Ginsburg, Eve Tomlinson, Martha Lamer, Judy Burke, Theresa Vigil, and Jim Nicks.

During the year staff members work hard to produce a fine magazine. The Yucca magazine is given out twice a year to those students who have Co-ops. The staff meets after school and sixth period, during which they get the book in order.

Shown above are Alan Vermillion and Harvey Jean Peterson, editors of the Yucca. They are primarily responsible for the final out come of the magazine.

LA REATA

Shown at the left are the three girls who are the most responsible for the existence of the yearbook. They were chosen because of their ability to hold such important positions. Here are Betty Ann Rose, Associate Editor; Caroline Maciel, Editor; and Elnora Bowers, Assistant Editor.

"Look at Bell's big red nose." Each year the man behind the camera uses this pass word before the picture is taken. Bill Bell, shown at left, has been seen around Albuquerque High taking pictures of clubs, sports, and other school activities. Bell has been taking pictures for the school for three years and is looking forward to taking them in the future.

Left to right, Shirley Gilbert, Pat Arnold, Kathryn Darden, Doris Cady, and Bill Bell.

LOOK AT THE PICTURE

Shown below is the six period La Reata Staff. The girls are checking the students' pictures for the year book. They are left to right, Shirley Martinez, Sue Bur-

rows, Cloe Ahlgrim, Helen Burson, Joan Bryant, Patsy Finn, Anne Roop, and Mona Jean Hunn.

LA REATA

Since 1909 the yearbook staff has been turning out the annual La Reata. True, the publishing of our annual is almost as old as the school, but as we thumb through the issues of by-gone years, we can see the way school life was compared to that of today. The La Reata is a treasure chest of memories, held dear by all who have at one time or another attended AHS.

The work involved in turning out the La Reata starts right after the beginning of school. The staff consists of all sophomores, juniors, and seniors interested in the publishing of a yearbook. The editors and co-editors are picked in the spring, and serve in the positions the following school year. The staff is divided into three sections, 6th period, 7th period, and the group which works after school.

Let us look at the book and see just what is done in the production of it. First of all the photographer and engraver are chosen. After this a suitable cover is picked. Then the real work begins. Page plans are drawn, pictures scheduled and taken, copy is written, pages are assembled, and sent to be printed. The book is at last completed and covers are pasted on. The La Reata is then ready for distribution to the student body.

Mr. Thomas

Mr. Thomas, shown above, has the great responsibility of being sponsor of the La Reata. He has been doing his best for three years in seeing that the student body has an annual to suit its needs.

Caroline Maciel, Leon Luey, Kathryn Darden, Betty Anne Rose, Shirley Gilbert, Eleanore Stukas, Charlotte Ziegler, Jo Ann McKinnon, Elnora Bowers, Carolyn

Wynn, Pat Arnold, Betty Lou Fogell, and Lou Ellen Morelock. These are pictured in the first group. The lower photo is of the after school staff of the La Reata.

TV TALENT SHOW

The Junior Talent Show was presented over KOAT-TV on Saint Valentine's Day. President Bill Mann, Vice-President Neva Jo Weese, and Secretary Sue Coleman, officers of the Junior Class, introduced the talent by reading a valentine to the performers. The program included several dances: Poodle Hop, Dying Swan, and The Continental. Our Junior musicians formed a dance band and played, "In The Mood." Lorraine Wilden sang,

"Sweetheart, Sweetheart," and Bunny McCain sang, "Diamond Are A Girl's Best Friend." The program was sponsored by three Albuquerque High School teachers, Ann Komadina, Josephine Napolene, and Ed Garvanian.

Pictured at the right is Coach Garvanian with Lillian Velasquez, who is about to be introduced by the three officers pictured at the left.

KANW

KANW, directed by Mrs. Rose J. Jones, and Mr. W. B. Maxson, broadcasts an average of four hours a day throughout the school year. The programs presented this year included Indian programs, Social Science, Safety, Science, Phonics, Health, Music, and Penmanship. These programs are produced with the assistance of supervisors, teachers from various school, students from the high school, and other educational stations throughout the

nation. They are both educational and entertaining. KANW trains student engineers for radio station work in the future.

DAWN PATROL

The Dawn Patrol had its beginning in 1933. Since that time, 24 years ago, the Patrol has been increasing its numbers every year. Each morning at 6:00 a.m. one can see the early birds trekking to school. They begin their patrol at this unearthly hour by making laboratory experiments. Incidentally, these experiments are at a college level. Dr. Eldred R. Harrington sponsors these students. This is a 6:00 a.m. view of the Dawn Patrol.

The Latin Club has been a successful club here at AHS for a number of years. Their annual activities include the Valentine Dance and the Ides of March Banquet. Traditional Roman costume was worn at the banquet held this April in the cafeteria.

This year the first state Junior Classical League convention was held here at our school. Our chapter played host to seven other chapters over the state.

MODERN DANCE

The Modern Dance group is one of the most interesting dance groups at AHS. The girls in the club meet after school on Tuesday and work out many new dance movements to the beat of Mrs. Sacks' drum. The group has put on numerous programs, which everyone seems to enjoy. Joyce Campbell is President.

HONOR SOCIETY

Honor Society consists of students who have maintained an average of ten honor points in their grades and activities. An "A" counts as three points; a "B" counts as two points. Activity points can be used. Those who have maintained this high average are presented a gold "A" on Awards Day at the end of their Junior year. To keep the gold "A" they must maintain their high standing seven of the eight semesters. The officers for both semesters were President, Jerry Ginsburg; Vice-President, Carol Kutnewsky; and Secretary-Treasurer, Myrle

Van Atta. These have been chosen because of their ability to lead in extra curricular activities as well as because of their high scholastic rating.

Mrs. Klicker is the sponsor and guides the students in filling out their applications. Due to the fact that the students have many other activities and different interests, the Honor Society meets once a semester. At this meeting the officers are elected and application blanks turned in. The meeting is held in room 331.

The club meets every Wednesday at 8:15 in Coach Wilson's office. Whenever the snow is deep enough, the club goes by bus to La Madera every Friday fifth, sixth, and seventh period. The La Madera ski officials made arrangements with the club for special rates on ski lessons. They also made arrangements for renting of equipment and for using the tow. This club is open to all AHS students.

DRILL SQUAD

The drill squad, led by Gwenn Crowe and sponsored by Mrs. Virginia Sacks, has done a wonderful job this year. Their various half-time activities, during the football season have not only added interest to the games but also given that needed school spirit. They have practiced daily to improve their precision in formations. People going by the corner of Grand and Edith have had the opportunity to see our lassies rehearsing their routines for the week. The yard by our Annex has been the best place for their rehearsals. Their talents have not been confined to Albuquerque High School activities alone. The girls traveled to Farmington to give a stellar performance for the fans there. In their two piece corduroy uniforms of green and white, the 116 girls enlivened the annual state fair and Christmas parades. Elected to be the leader for next year was Linnette Williams, who then will be a senior. It will be her responsibility to give the school another successful drill squad.

NURSE'S AIDES

The nurse's aides are the girls who help Mrs. Baughman, our school nurse care for the health of all the students at Albuquerque High School. Most of the girls hope to be nurses in the near future. Many former students are now established in a nursing career.

AHS wishes to thank Mrs. Baughman and the nurse's aides for the many comforts they have provided for the students who have taken ill while at school. To be a nurse's aide is very good experience. The services which the nurse's aides perform are innumerable. There are always at least two girls on duty in the nurse's office in case any emergency should arise.

First row, Sarah Montoya, Margie Stevens, Loretta Fukuzana, Gail Peterson, Bobbie Middleton, Esther King.

Back row, Kay Gibson, June Rhoten, Annabelle Padilla, Sue Walker, Lois Kelly, Mrs. Baughman, Pat Smith.

COUNSELORS' AIDES

Very gratified to have these girls in their services are Mr. Brown, Mrs. Rogers, and Mr. Willits. Mrs. Rogers is both a friend and counselor to the many girls of AHS. She keeps the records for girls' absences and always offers guidance to those who come to her. Mr. Brown, besides being counselor to the boys, is Director of Student Affairs and advisor for many extra-curricular activities. Mr. Willits is in charge of helping students get jobs. He guides them in applying for positions and gives general vocational work for all.

The counselor's aides pictured here are very valuable and necessary to keep things running smoothly in the counseling offices. One of their most important jobs is to direct new students to different classes and to help them with their programs. They also run many errands and deliver messages to the faculty and students. Their biggest job is to aid in keeping track of all the students in Albuquerque High School. We are very grateful to the girls who relieve Mrs. Rogers and Mr. Brown from a lot of their extra work.

ROGER'S OFFICE AIDES: Vennetta Starr, Vonda Carter, Ann Richmond, Thelma Rowlands, Jean Bryant, Lynn Armstrong.

BROWN'S ATTENDANTS: Marsha Guthrie, Janet Spelts, Sally Chase, Roberta Cole.

Back row, Jackie Johnson, Shirley Bommelaere, Nancy Borough, Mary Nan Pettis, Thelma Rowlands, Jean Bryant.

ATTENDANCE AIDES

The Albuquerque High School attendance aides are composed of about thirteen girls who are mostly sophomores and juniors. The requirements for attendance aides are: a "C" average or above, and dependability. If the girls don't keep their grades up to the requirements, they have to take a study hall. The duties of the aides are: to help with the posting of absences, to collect attendance slips, and to distribute slips to the home room teachers. They also run errands and answer the phone.

The sponsors Mrs. Mazelle Spence, and Mr. Robert Briscoe, keep the attendance office and the aides running smoothly.

Pictured above, First row, Marilyn Whiehill, Bernice Love, Janet King, Pat Griffin, Sally Cooper, Yvonne Herring, Barbara Kelsch, Rita Targhetta, Shirley Larsen.

PRINCIPAL'S OFFICE AIDES: First row, Tincy McCall, Joyce Norman Billie Kitch.

Second row, Sue Coleman, Linley Tonkin, Judy Minces, Barbara Markwell, Katherine Darden, Carol Seebree, Jody McClendon.

PRINCIPAL'S OFFICE AIDES

One of the most serviceable organization in our school is the AHS office aides. They perform all needed duties such as taking incoming calls, distributing mail, and running errands. A very vital service which they perform is the direction of people to places which are difficult to find around the campus. They are all around aids.

They help Mr. Ream and Miss Dixon. When any thing needs to be done there is usually one of the office aides near to help. Not only do they aid the heads of the business office but they also are ready and willing at any time to be of service to any and all students of Albuquerque High School.

BOOKROOM AIDES

AHS owes many thanks to Mrs. Ella Montoya and the Bookroom girls, who check out and keep track of about ten thousand books. They also mend and repair damaged books and take care of text book fines.

First row, Christene Overton, Marilyn North, Rebecca Ramirez, Joan Naranjo, Gloria Urioste, Arlene Ortega,

Second row, Gloria Gabaldon, Wanda Shouse, Connie Seawright, Delores Gonzales, Gloria Sanchez, Bette Garcia, Leston Payne, Connie Garcia, Terrie Sanchez, Clara Bowman, Marie Aguilar.

LIBRARY AIDES

The most helpful building on Albuquerque High School's campus is the library. The librarians, Mrs. Hunt and Mrs. Breiland, with the help of these girls manage to keep our library in order and assist all students.

First row, Margaret Darnell, Betty McKelvey, Amy

To the Print Shop goes the credit for the publications turned out every month. They publish the Record, La Reata, Yucca and the Highlander, the annual of Highland High School, and volumes of forms and booklets for the entire public school system.

Pictured here are: left to right, First row, Jim Clayton, Darrel Nichols, David Lowe, Thomas Holland. Second row, W. M. Walling, Roy Howard, Rusty Russell, Bill Hancock, Gene Howard, Don Sanders, M. O. Peterson. Not shown Eddie Gonzales, Jimmy Ramos, Bill Schiel.

PROJECTOR CLUB

About twelve boys make up the AHS Projector Club. They help in getting equipment where it is needed and setting it up either in the classroom or the library basement, which is their headquarters. They also provide and operate equipment for community projects.

Shown are: First row, Curtis Bailey, Lloyd Dudding, Ross Wersonick, Lyle Davis, Jack Anderson.

Second row, Frank Shanley, Chief Nixon, Billy Lynch, Jake Chavez, Roland Biggerstaff, Howard Mayberry, August Chavez, Ronny Large, Bill Cooper.

PEPPER CLUB

The Albuquerque High School Pepper Club consists of 300 girls. About 140 were initiated this year. All of these girls have worked hard to make all the Pepper Club projects and activities a success. Two of the finest activities they sponsored were the annual Christmas formal and the Spring prom. The girls have had a taco and

tamale sale. Probably the most interesting project of all was the initiation last October.

The three officers pictured below were elected last Spring to serve for this school year. They are Lynn Armstrong, Vice-President; Jo Hankins, President; and Marlen Ford, Secretary-Treasurer.

"A" CLUB

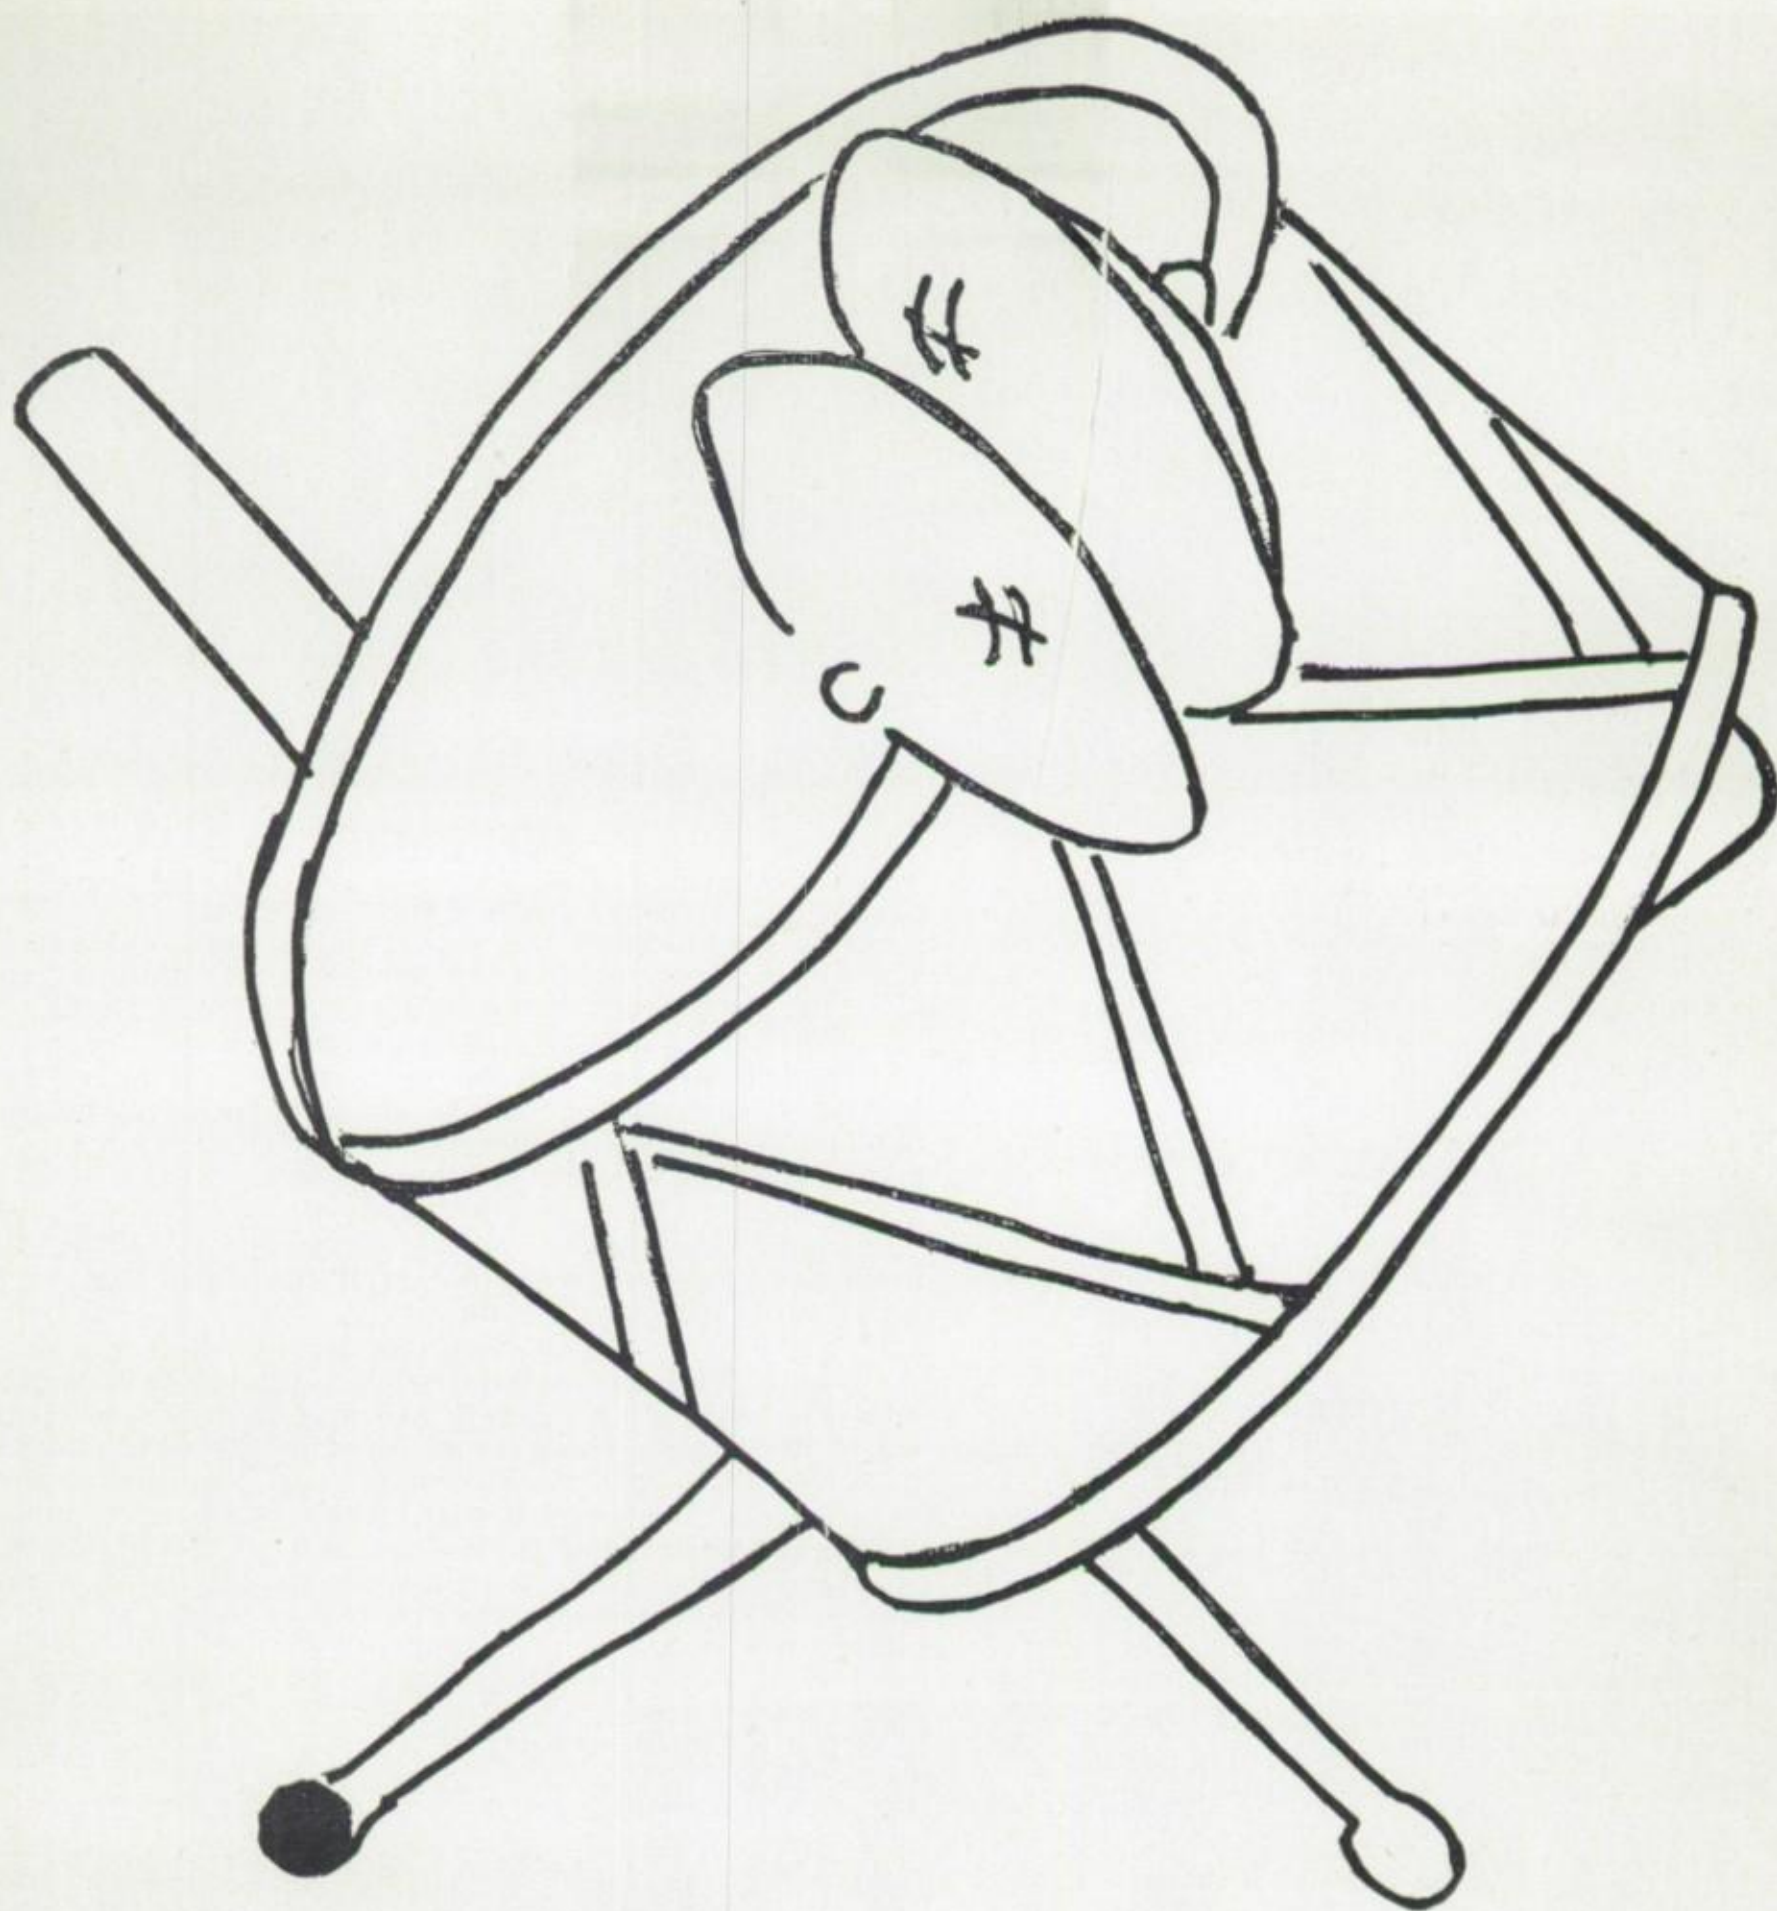

For twenty-eight years, boys like these have enlivened our campus with their green and white sweaters. Following them, then and now, are many admiring female glances. They sell refreshments at games and have acted as marshals on Pioneer Day. However, they don't confine their activities to the school alone. At Easter, they usher at the annual sunrise service. One of their important contributions to AHS is the promotion of good sportsmanship among our students.

SCHOOL LIFE

SEPTEMBER

FIRST DANCE OF THE YEAR

Our first dance of the year is the one best remembered. The above dance, held at the Student Union Building came after the game between the Bulldogs and Clovis High.

REGISTRATION

Registration day for the Sophomores will be an event that they won't forget. In the above picture you see many Sophomores talking with friends and having their program cards signed by teachers for their classes.

PATIO

An old familiar sight and an enjoyment to AHS students is our patio which serves us for social and school chats or just for relaxing between periods.

"B" TEAM TRY OUTS

Full of hope and expectations, are the twelve Sophomore girls who ran for "B" Team Cheerleaders. Six were chosen out of the twelve. These six received hearty congratulations from the others who ran with them.

"A" TEAM CHEERLEADERS

Gloria Koenig, Sue Harris, Arlene Garcia, Virginia Shaver, Joyce Campbell are leaving with smiling faces to cheer the Bulldogs on victory over the Gallup Tigers at our first out of town game.

SEPTEMBER

STANDING FOR LA REATA PICTURES

Standing in line waiting patiently to have their La Reata pictures taken are just a few of the 1800 AHS students who passed this way. Pictures for La Reata were taken in the first two weeks of October.

BOYS' MOVIE

Caught moving into their seats in the library basement are some boys seeing a Physical Education movie. This spot serves all classes and groups as a movie house. Never a day goes by that some class doesn't arrive for the projector boys.

"COMING OUT OF THE DUGOUT"

Coming out of their dugout is our every ready Bulldog team, playing against the Artesia Bulldogs at the Public Schools Stadium on Coal Ave. This fine stadium and field are used by all high schools and junior high schools in the city.

NEW BUILDING FOR AHS

The new building, which went under construction on July 21, 1953, was completed in time for the second semester.

DRILL SQUAD

The girls' drill team has added color to the football games by entertaining during the half. With their green and white uniforms they make colorful display. They also participate in community parades.

A STROLL THROUGH THE PATIO

What would the students of AHS do without their patio? The patio is a common short cut to our classes. These three girls are enjoying an after school stroll to their lockers before leaving another day of school. During the school hours you can always see the students rushing to their classes but when the time comes to leave school they slow down to catch their breath.

OCTOBER

HALLS AFTER HOURS

Old faithfuls, are our lockers. Doesn't this picture bring back old memories? Shown in this silhouette is Jean McKelvey burdening down her locker. The usual sight is a clatter and noisy rushing through the hall. We find here in this picture the scenic view of late hours, when the halls have their time for rest.

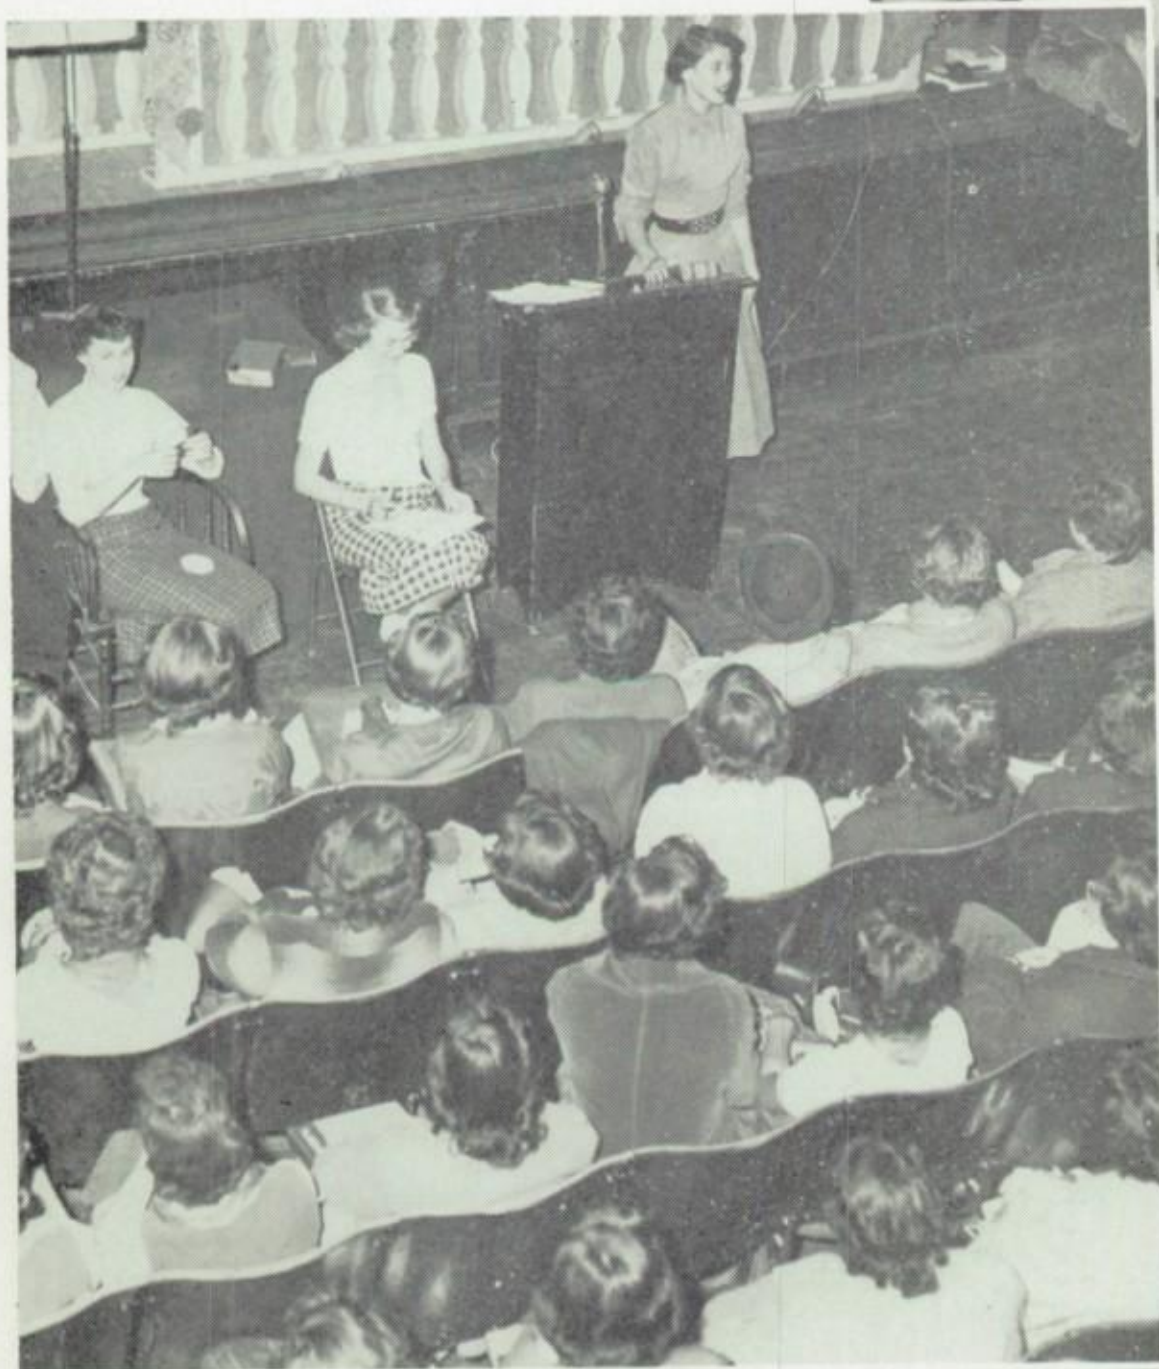

DETENTION HALL

These early birds aren't catching worms; they're catching up on hours. If you look hard each morning you will find the cafeteria jammed to capacity, with students to make up time. We couldn't get them to smile for who wants to smile this early in the morning with homework stacked in front of you? For the students who like to sleep late, it is wise not to be absent, or to cut if you don't want to join the early session.

PEP RALLY

Look at these pom-poms. The girls in the picture are waving their pom-poms at the Highland-Albuquerque pep rally, held November 21. Among those above are Nancy Borough, Yvonne Herring, Nancy Twillinger, and Jeanne Vermillion. This was one of the most eagerly awaited games. A huge crowd saw the 6-6 tie. With the green and white waving in the air, and the theme "Beat Those Hornets", AHS was awarded victory on penetrations after a hard fought game, which ended our regular football season.

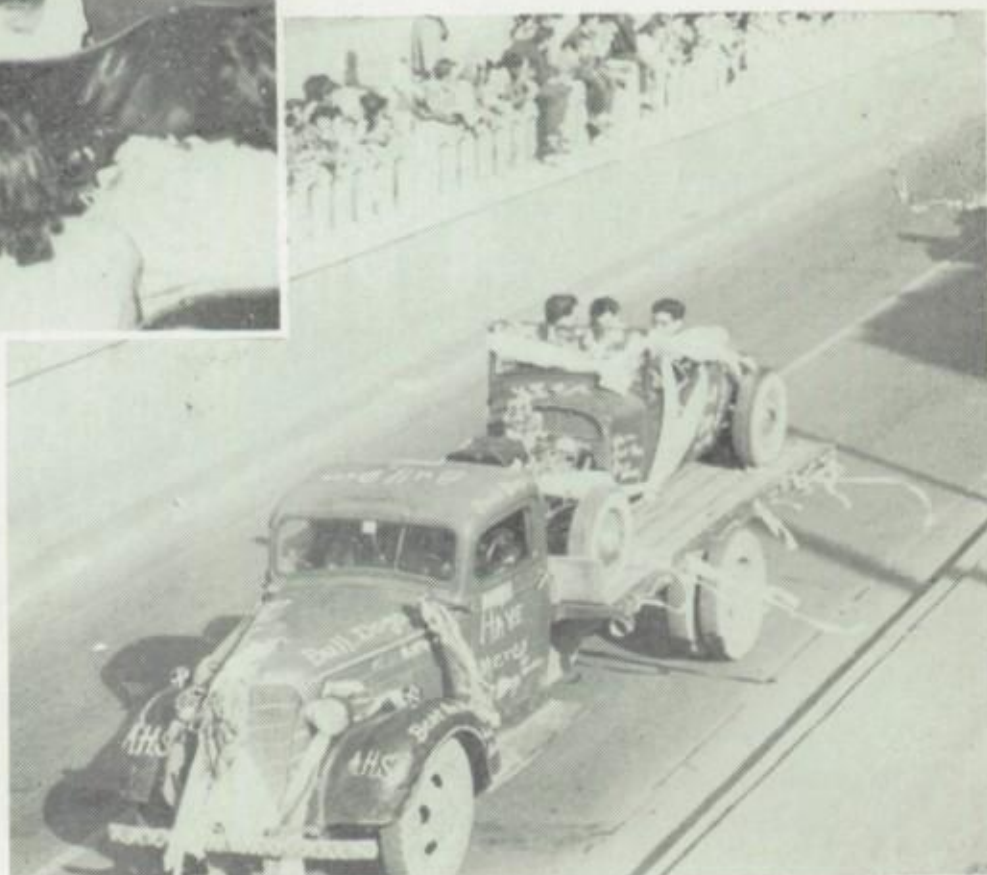

OCTOBER

PEPPER CLUB MEETING

This session of the Pepper Club is just one of the many which have been held at AHS. This club helps to build school spirit and interest by doing many necessary and interesting activities. The sponsor of the Pepper Club is Mrs. Virginia Sacks; President, Jo Hankins; Vice-President, Marlene Ford and Secretary, Lynn Armstrong. The Pepper Club holds two dances annually, the Winter and Spring Prom.

BULLDOG DAY PARADE

One of the biggest highlights of the year was the Bulldog Day Parade which began after the crowning of the Bulldog Queen. Although it was a cold and windy day, the students gathered along Central Avenue to see the floats. The homerooms did an excellent job in decorating for the parade. Prizes were given to the homerooms with the best floats. The winning homerooms were: First—Arretche, Barnhart, Davis; Second—Slocum, Cramer; Third—Childre; Fourth—Lowery; Fifth—Cook.

DONNA STANDFIER, Bulldog Queen

This comely brunette reigned for Bulldog Day. She was chosen from a field of twelve by the vote of the student body. She was crowned by Homer Ledbetter, president of the Student Council. While the band played

and the drill squad gave salute, the applause to our queen was heard. After this glorious afternoon, she again was praised at the Homecoming game which ended her day long activities.

JO HANKINS, Attendant

JAY TWILLEY, Attendant

*Dear Marilyn,
I sure enjoy
knowing you.
Good Luck
Always to you
Jo Hankins*

ROYAL COURT

The royal court is seen here watching the drill team perform during the halftime of our Homecoming game with the Carlsbad Cavemen. Our lovely Bulldog Queen Donna Standfier and her attendants Jay Twilley and Jo

Hankins are shown here with their escorts. Left to right, Jay Twilley and Jack Farmer, Donna Standfier and Bill McIlhaney, Jo Hankins and John Anderson. This picture was taken on the football field during the ceremonies.

"A" TEAM CHEERLEADERS

Left to right, are Gloria Koenig, Sue Harris, Arlene Garcia (Head Cheerleader), Virginia Shaver and Joyce Campbell. They deserve much of the credit for the success of our games.

"B" TEAM CHEERLEADERS

Left to right, Emily Edmonson, Sally Chase, Lucy Silva, Loretta Valdez, and Nancy Borough.

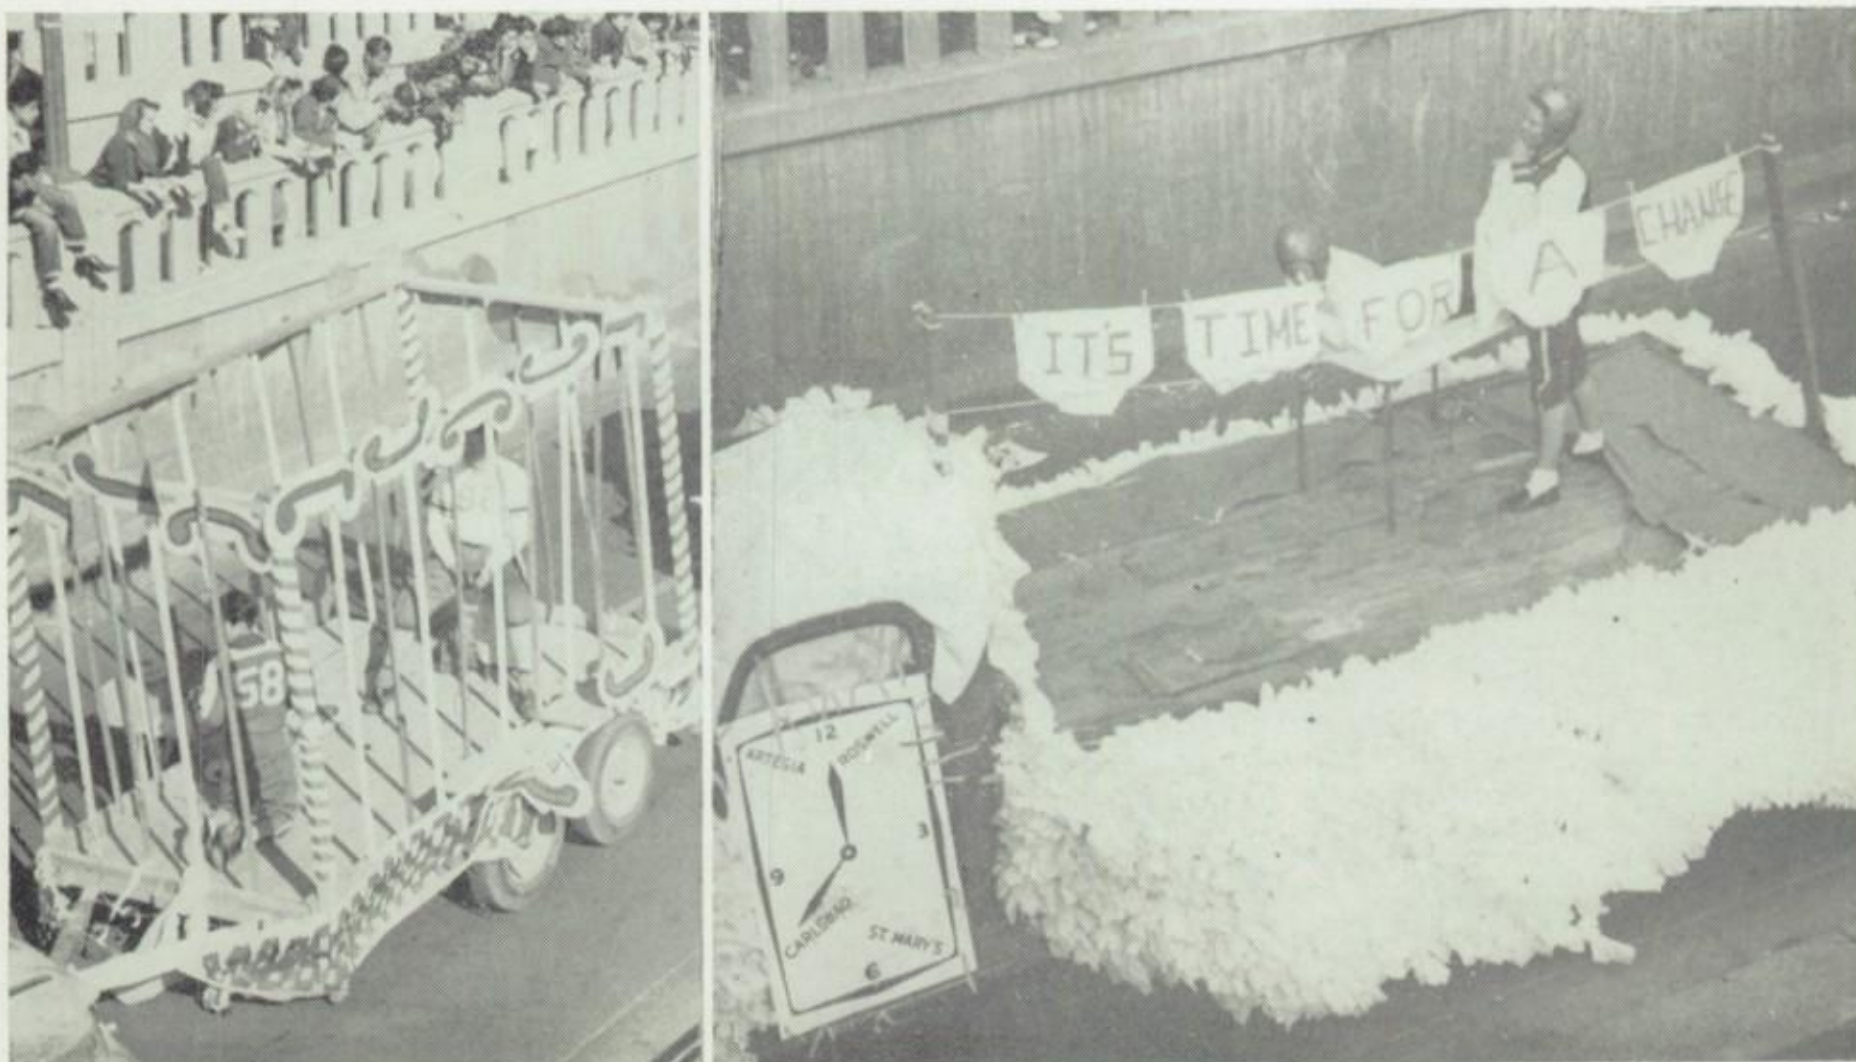

BULLDOG ROYALTY

The main attraction of the Bulldog Day parade was the float carrying the Queen and her attendants escorted by the R.O.T.C. The float was led by the Albuquerque High School band and drill squad.

BULLDOG FLOATS

These are two of the fifty floats entered in Bulldog Day parade. The winning float was entered by Miss Arretche, Mrs. Barnhart, and Mr. Davis of the cafeteria studyhall.

SENIOR CLASS ASSEMBLY

There was one Senior class assembly, from which every class would have benefited and enjoyed. This was the appearance of Jim Lucas, Scripts-Howard's outstanding war correspondent. He did us the honor of including our institution in his short visit in Albuquerque.

After being introduced by Dan Burrows, Editor of the Albuquerque Tribune, on the right, Mr. Lucas gave his talk, based on his answers to the questions most frequently asked him. On Mr. Lucas's right is the Senior class President Bill McIlhaney.

NOVEMBER

SOPHOMORE TALENT ASSEMBLY

The Sophomore class put on a talent assembly sponsored by Mr. Lacour, Mr. Thomas, Miss Trammell, and Mr. Hannah. There was a surprising amount of talent brought forward from the Sophomore class. The assembly was presented to the student body, but was made up entirely of Sophomore talent. Pictured at the left, is Betsy Bell doing her personation of the Charleston.

OUR MAJORETTES

These high strutting misses pictured at the right are the quartette which make up the Majorettes of AHS.

Leading the girls through the year in well practiced exhibitions of skill was Miss Carol Jones, Senior. Carol is completing her third and last year as twirler at AHS. Her sparkling personality and talent have brightened all the football games.

Assisting Carol were Shirley McLain, Mary Kay Hicks, and Jeanette Bond.

Jeanette was presented with the New Mexico State Senior Class Twirling Championship.

"IMAGINARY INVALID"

Here are three main members of the "Imaginary Invalid". Left to right, Jacquita Thomason, as the maid; Betty Faris, as Angeline; and Robert Hanna, the invalid.

The play was a delightful French comedy with each cast member playing a perfect part, holding the attention of the audience at all times. It is a tradition for the Junior Play to be on the lighter side of life. This one filled the part and makes a gay memory for the Junior class.

NOVEMBER

BONFIRE PEP RALLY

One of the traditions of AHS is to hold a bonfire before the main attraction of the football season, the game between the Bulldogs and the Highland Hornets. Some of the "firebugs" pictured are Dale Gallaher, Beatrice Hay, Bob Stewart, Joe Schupla, Jim Major, Bill Schwabb, and Don Zickert. That night of November 20th, behind the Public School Stadium, gave the Bulldogs one joyous hour burning the Hornets.

PEPPER CLUB INITIATION

The Pepper Club initiates are Margaret Carnell, JoAnn Harris, Amy Klassen, JoAnn Jewell, Marilyn Bush, and Jean McKelvey. They all met in the patio where they participated in such adult games as the Farmer Takes a Wife and Ring Around the Rosie.

Teachers, boy-friends, and the girls were all relieved when their lunch hour came and they could change to their regular school clothes. All had to admit they had a swell time. Already looking like a mess, the girls were given an extra touch of makeup for the occasion.

DECEMBER

ORDINARY DAY IN THE OFFICE

An ordinary day in Mr. Brown's office. Even with the hurry of the day, AHS students find time to discuss happenings with Mr. Brown.

CHRISTMAS PARTY

Getting into the Christmas spirit is Miss Komadina's class. Here they are playing records and decorating a tree.

BUYING A TICKET

Here Betty Anne Rose is shown buying a ticket from Jack Stromberg for the Highland-Albuquerque High movie. This was a showing to the students of the much discussed 6-6 tie between AHS and HHS this year.

BOY AND GIRL STATE ASSEMBLY

Telling of his most unforgettable experience at Boys' and Girls' State is Dick Wilson, master of ceremonies. The students who attended were very eager to discuss this worth while project.

This year's Christmas Chorale was directed by Mr. Goodsell Slocum. Accompanists for the Chorale were Jack Foster and Joan Orlebeke. The Chorale had two scenes. The first had a church window in the back ground with the chorus dressed in robes. The second displayed a candy cane in the background with girls in either red

or green skirts and sweaters and the boys with white shirts and ties. The program had many tableaux displayed in Gothic windows in the fore round. Two hundred students took part in this program, which proved quite successful, for a large audience attended.

DECEMBER

Corinna Baca displays copy to the "Brass". Harry Moskos looks over some Record copy with Karen Crobaugh and Corinna, as Irene Bachicha looks on.

One of the many dances sponsored by AHS is the one given by the Pepper Club. Below we see Lynn Armstrong, Marlene Ford, Mr. Jewell Brown, Mrs. Virginia Sacks, Mr. Glen Ream, Jo Hankins, and Mrs. Rogers. The girls were Pepper Club officers. The dance was held at the Student Union Building.

JANUARY

MR. BROWN'S BULLETIN BOARD

In the counselor's office posted along his walls are pictured many memories. In Mr. Brown's spare time, which he has very little of, he often reminisces over the pictures of pupils to whom the faculty and students of AHS have given high honors.

Many of these people will be remembered throughout the years. Among these pictures are the past and present cheerleaders, Bulldog Queens, and scenes from the past Pioneer Days.

LONG LOST FRIEND RETURNED

Back in our patio again is a memorial left by the senior class of 1950. Our Bulldog which so suddenly disappeared last spring has returned, to the joy of the faculty and student body. The Bulldog, which stands high on its pedestal near the Administration building, has proved to be very near and dear to our hearts.

MECHANICAL DRAWING

Pictured right is a scene taken during one of the Mechanical Drawing classes taught by Mr. Reynolds, who is better known around AHS as "Pop" Reynolds. This class is taught to anyone who is interested in this type of drawing. Girls, along with boys, find such a class to be very interesting and also in many cases very valuable to them when planning a career.

JANUARY

"A" CLUB INITIATION

Time: 7:30 a.m. Place: AHS patio. Occasion: "A" Club Initiation. Cast: Sixteen boys running around in long underwear, getting their heads shaved and molasses poured down their necks.

The initiates First row, left to right, Grafton Burger, Merrill Rogers, Kenneth Darden, Alex Miera, Dick Wilson, and Sam Gardipe. Second row, Charles Salazar, Joe Shupla, Bob Stewart, Frank Hayes, Kent Bennett, and Henry Saavedra. Third row, Ken Thorn, Sam Blair, Bill Mann, and Benny Gutierrez.

WHA' HOPPEN?

The Junior Talent Assembly featured many various acts including music, dancing and singing. This scene pictures Judy Minces in a filler act. She looks somewhat shocked. Must have been something she read in the paper.

SO LONG TO A SWELL GUY

Captain Smart, the head of the R.O.T.C. at AHS, has been here about five years. He left in December of '54 to go to New York to continue his training for school administration. He will be the principal of North Valley High when the new school opens this fall. Here Captain Smart is receiving a going away gift from the R.O.T.C. presented to him by Bobby Humble, Cadet Captain. Captain Smart is succeeded by Captain Reitmann from San Angelo, Texas.

FEBRUARY

BOOKROOM AND MRS. MONTOKA

The majority of Albuquerque High School students are as yet not aware of the importance of the bookroom. They are responsible for the care of all our free, state supplied text books. Their rush seasons are in September, January, and May, but they are very busy all year.

SMITTY

One of the favorite locations during the lunch hour is the north end of the Manual Arts Building where Smitty brings his ice cream wagon. He has been coming to our school for many years and makes new friends every time. He sells ice cream, assorted candies, and various Spanish foods.

GREEN AND WHITE BALL

The annual Green and White Ball was held January 22, 1954 in the Student Union Building at the University of New Mexico. Many Albuquerque High School students and their dates danced to the music of Orle Waggoner and his orchestra. The girls were presented with a beautiful baby orchid as they arrived at the door. The orchids were shipped direct from Hawaii for the occasion.

DRAMATEEN'S COSTUME BALL

The annual Dramateen's costume ball was held in the cafeteria this year. In the midst of crepe paper and balloons, the members played games, danced, and had refreshments. Lynn Kircher and Robert Hanna won the prizes for having the best costumes.

FEBRUARY

SPANISH ASSEMBLY

This year's presentation proved to be most amusing as it involved a young man who, having died, went to heaven and made a bet with St. Peter which went something like this.

He bet that if he could have another chance to go to earth, he could win any women that he wished. He was allowed to return and won the bet by winning the attention of all the women with whom he came in contact.

CROWNING OF MILITARY BALL QUEEN

Miss Gwen Crowe, a senior, was the Military Ball Queen for 1954. She is shown here as her crown is presented by Keith Grisham, President of the O.N.C.O. Club. Her attendants were Jean Bennett, a junior, and Sally Cooper, a senior. The members of the AHS R.O.T.C. elected the three girls in a primary election about a week before the dance and then cast their votes for top honors as they entered the dance. After receiving her crown of white carnations, Miss Crowe and her escort led the next dance.

The Military Ball is a formal dance and one of the most outstanding of the year. This year the dance was held at the Student Union Building at the University of New Mexico. The girls were presented with baby orchids as they entered the door. Decorations for the occasion blended with music and the many dancing couples to leave a lasting and pleasant impression on all who attended.

ANNUAL PRESS BANQUET

Mr. Ream, Martha Mersman, Dr. Fenley, and Caroline Maciel are pictured at the annual Albuquerque High School Press Banquet held at La Hacienda. Dr. Fenley, director of Public Relations at the University, spoke about the advantages of taking journalism and going into newspaper or magazine work. Awards were given to some La Reata members.

MARCH

LIBRARY SCENE

The library is the place you come before or after school to study or check out books. There is a study hall in the library every period. Here is a typical group of study hall students. Some of the students sit and study while others are regular clock watchers.

NEW STUDENT TO AHS

One of the many foreign students to attend AHS is Helga Gisela Moldenhauer. She left Germany with her mother in October of 1953. She first entered an American high school in Morristown, New Jersey. She is a junior and likes New Mexico very much.

SPEAKER OF CIVIL DEFENSE

Telling of the importance of Civil Defense is Charles A. Cole. He was guest speaker at the assembly sponsored by Sen Sims Tri-Hi-Y. A movie was also shown.

PEP ASSEMBLY

In the picture below you see Sue Harris cheering at one of the many pep assemblies held this year. This pep rally was before the basketball tournament. The Bulldogs played Los Alamos and lost. The Carlsbad Cavemen won the State championship.

WHAT WILL STUDENTS THINK OF NEXT?

In case you want to see if any flying saucers are landing in or around AHS, just go into Room 132 and join the astronomy club. The telescope was made by Bobby Bartelle.

MARCH

APRIL

Of all the activities that the senior class sponsored, the climax was the Senior Talent Assembly. In this assembly the seniors really showed the talent. The theme of the assembly was "Lullaby of Broadway." There were thirteen acts. A piano solo by Michael Silva; three dances danced by Paddy Tarter, Libby Paton, and Donna Weatherbie; seven songs sang by Charlene Love, Kay Gibson, Albert Sanchez, Ginger Ortiz, Thelma Jackson, and Barbara Schumacher; a pantomime by Norman Maisel, a dramatic interpretation by Marilyn Neuber, and a "boogie" number by the band.

With her interpretation of the Makio, Marilyn had the audience in complete suspense. The Makio was a different person in each assembly. To keep the audience in stitches, Norman gave his very fine performance of, "The Man On the Flying Trapeze." Kay's singing of "Temptation" kept everyone in a dreamy mood. Charlene's song, "Walking to Missouri," gave everyone a chance to sway to the music, while the boogie played by the band made everyone want to get up, push the chairs back, and let out with some crazy steps. To give Broadway a Spanish air, Albert Sanchez and Joe Polaco sang and played "Cuba Rumba." With night falling over Broadway, Barbara Schumacher sang, "Secret Love", to close the Senior Talent Assembly of 1954.

My Darling

Well sweet it's all over. Two years of hard work, I guess, has paid off. I never thought it would ever end but it did. Honey it's really been great to be home. The other night in the car when we were talking I was a little sorry to be home and wished I was back in Powell, but now I wouldn't, I wouldn't go back there and leave alone for all the tea in China. Sweetheart you were the one that pulled me through that school. I would have never made it if it hadn't of been for you pulling for me and sticking by me. At times, honey, I may have been a little stinker, not writing and all, but believe me darling I am truly sorry. Angel life & exact before I'll make it up to you. The better times are coming sweet and believe me they are really going to be great times. Just stick by me now and everything will really be great. Darling thank you for everything. The power and will to go and keep going. I love you more than any thing in the world honey and always will. Your my baby now and always will be. Stay just ~~as~~ as sweet and wonderful as you are now sweet.

OUR AHS BULLDOG'S PIGSKIN SUMMARY

The Albuquerque Bulldogs won the I-AA conference over Highland by penetrations. The season was a rugged one from beginning to end.

In the first game of the season, the Bulldogs rolled over Gallup with a 40-6 victory. Another hard fought victory was won when the Bulldogs beat Clovis with a score of 19-0. The AHS winning streak was stopped when they came up against hard fighting Artesia. Boan made our only touchdown and the game ended Bulldogs 6, Artesia 20. The Bulldogs "never say die" spirit showed as they lowered the boom on the Santa Fe Demons to take their first AA Conference victory with a score of 52-12. The next game the Albuquerque Bulldogs took to the air to crush the St. Mary's Cougars 32-12. Bulldog Day arrived bringing bad luck to the team when Carlsbad took the game 32-7. But again the Bulldogs came through with a 6-0 score against Las Cruces when Boan received a hand-off from Buster Quist to make the only touchdown of the game. The Bulldogs then received another defeat when the Roswell Coyotes chalked up a 52-26 lead. The next game Buster Quist took to the air to make three touchdown passes and make the final score AHS 40 Farmington 0.

The Bulldogs were awarded the chance for the AA Conference football championship when they downed Highland on the new penetration rule.

In the first quarter of the Conference title match against Roswell, Quist and Boan maneuvered the ball to the Roswell one-foot line where Quist sneaked over the middle for our first touchdown. In the second quarter AHS went 56 yards in 12 plays to Roswell's one-foot stripe Quist again bulled through center for our second touchdown. In the third quarter Stewart crashed over for our third touchdown. Corley's kick was true and AHS led 19-14. With minutes to play Jack Doran threw

a nine-yard pass to Kenneth Wright to win the State AA Conference Football Championship for Roswell. This was a thrilling game and the Bulldogs did a good job.

The football season was ended by a banquet held in the Albuquerque High School cafeteria. The Bulldog team, coaches, dads of the players, school officials, and other guests were present. Coach Woody Clements, head basketball coach of the University of New Mexico, gave the address of the evening.

BULLDOG HORNET GAME

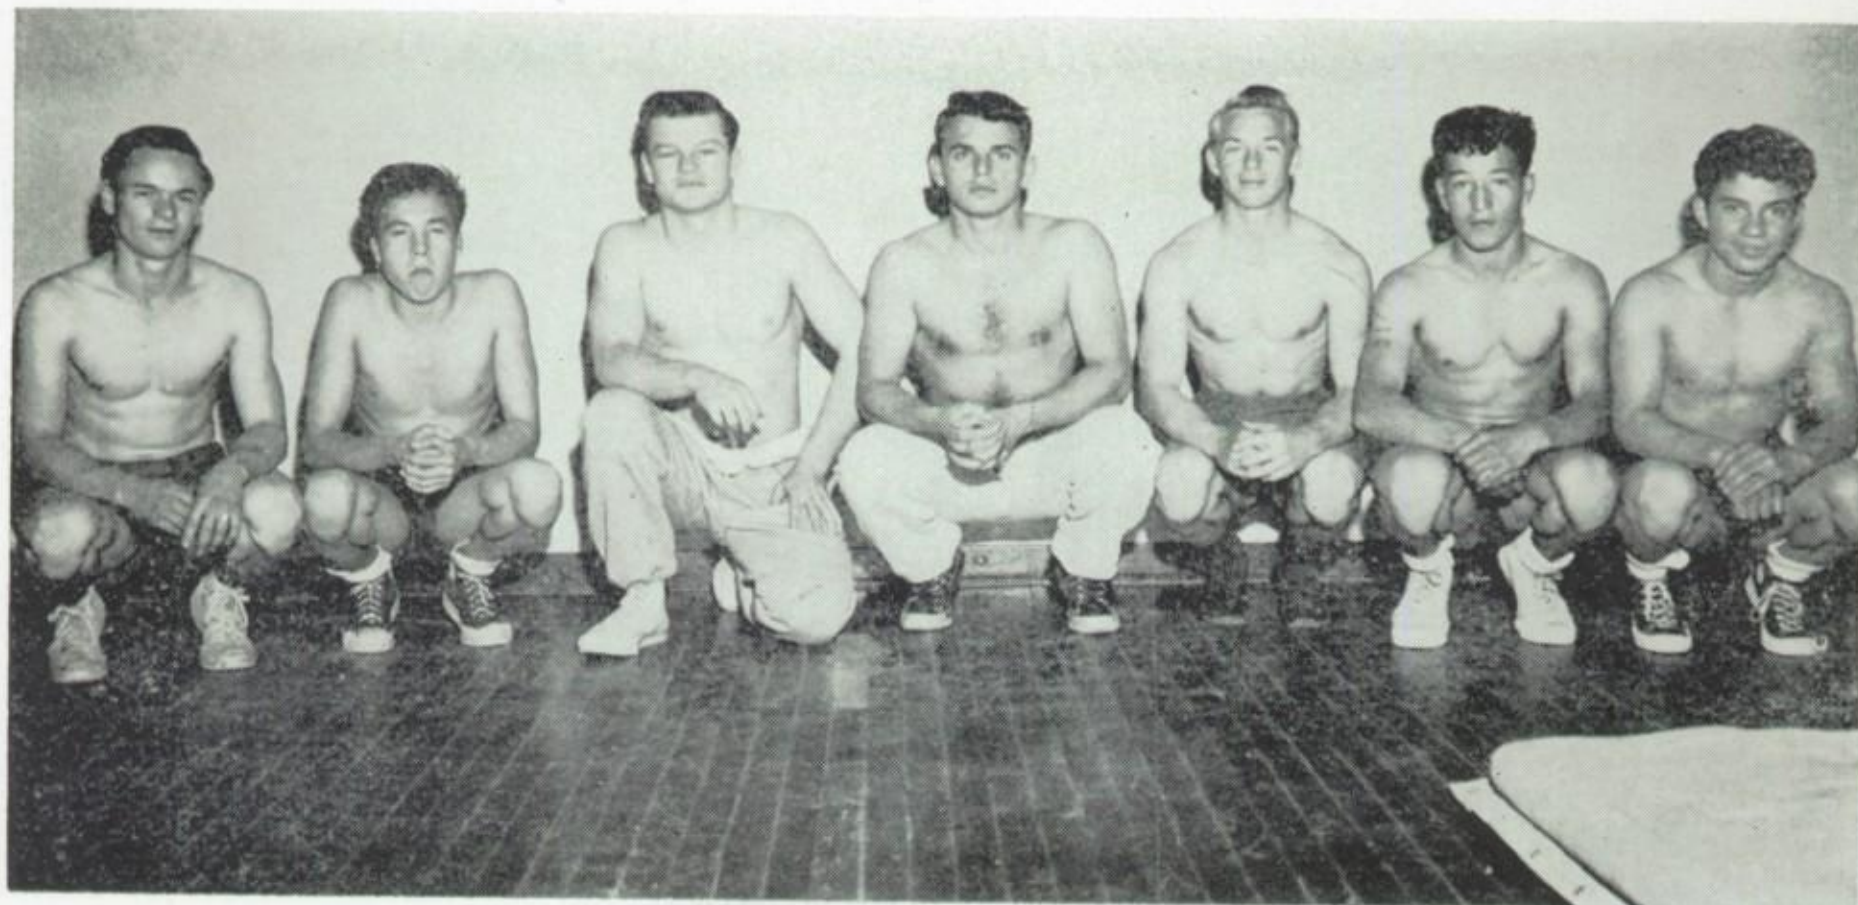

The biggest game of the year was hard fought on a muddy field at the Public School Stadium but the Bulldogs were awarded the IAA League crown on penetrations.

Highland High made the first touchdown early in the first quarter but their conversion was no good when Jack Stromberg blocked the kick. It was not until the third quarter that the Bulldogs came through. Buster Quist jumped high in the air and passed 59 yards to Boan.

Despite Highland's strong defense, Boan crossed the goal line to give AHS its six points. Velma Corley's conversion went wide and the score remained tied for the rest of the game.

The penetration rule is new and is defined as coming within 20 yards of the opponent's goal. The head linesman, Richard Van Fleet of Alamos, said the Bulldogs had a 2-1 edge in penetrations.
